

REMARKS

This is further to the Amendment filed November 14, 2005. The arguments in favor of patentability made in such previous amendment remarks are incorporated herein. In addition, it is respectfully submitted that claim 25 is further patentable for the reasons given with respect to claim 13 in the November 14, 2005 submission. By this present amendment, additional elements are added to claim 25 similar to corresponding elements included in claim 13. In addition, claim 25 is patentable for the earlier reasons given in the November 14, 2005 submission.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
